<sup>1</sup> Data is reported to the Office for Civil Rights, U.S. Department of Education by responding institutions in the Fall 1999 Integrated Postsecondary Education Data System (IPEDS) Fall Enrollment Compliance Report preliminary file submitted to both the Office for Civil Rights and the National Center for Education Statistics in the U.S. Department of Education. Percentage minority students is derived from reported total student enrollment (IPEDS line 29), whereas percentage Hispanic students is derived from reported total full-time undergraduate enrollment (IPEDS line 8).

Identification of minority postsecondary institutions by OCR pursuant to § 1067k(3), Education Amendments of 1998 to the Higher Education Act of 1965, where minority postsecondary institutions are defined as having minority enrollment at 50% or more of total enrollment. Identification of Hispanic-serving institutions pursuant to § 302(d)(1) of Public Law 102-325 (20 U.S.C. 1059c), most recently amended December 20, 1993, in § 2(a)(7) of P.L. 103-208, where Hispanic serving institutions are defined as those with full time undergraduate enrollment of Hispanic students at 25% or more of total enrollment.

<sup>2</sup> Historically Black Colleges and Universities are described in Amendments to Title III, § 301 of P.L. 96-374 (20 U.S.C. 1061), Higher Education Act of 1965, and most recently amended December 20, 1993 in § 2(m) of P.L. 103-208.

<sup>3</sup> The designation of Tribal Colleges and Universities is covered under several Federal statutes. The Tribally Controlled College and University Assistance Act (25 U.S.C. 1801 et seq.) covers 25 postsecondary institutions where funding is provided by the U.S. Department of the Interior to those institutions where 50% or more of student enrollment is American Indian. The Navajo Community College Act (25 U.S.C. 640a note) identifies Dine College (Arizona) as a minority serving institution. The Carl D. Perkins Vocational Education Act (20 U.S.C. 2397f note) identifies United Tribes Technical College (North Dakota) and Crownpoint Institute of Technology (New Mexico) as minority serving institutions. The American Indian, Alaskan Native, and Native Hawaiian Culture and Arts Development Act (20 U.S.C. 440 note) identifies the Institute of American Indian Arts (New Mexico) as a minority serving institution.

NOTE: The Higher Education Act Amendments of 1998 identified and defined Alaska Native-serving institutions, and Native Hawaiian-serving institutions under the following language:

- Alaska Native-serving institution [Part A of Title III (20 U.S.C. 1057 et seq.) amended by Section 317(b)(2)] is an institution of higher education (that) (A) is an eligible institution under section 312(b); and (B) at the time of application, has an enrollment of undergraduate students that is at least 20% Alaska Native students.
- Native Hawaiian-serving institutions [Part A of Title III (20 U.S.C. 1057 et seq.) amended by Section 317(b)(4)] means an institution of higher education which (A) is an eligible institution under section 312(b); and (B) at the time of application, has an enrollment of undergraduate students that is at least 10% Native Hawaiian students.

At this time, racial and ethnic information collected from postsecondary institutions in the Integrated Postsecondary Education Data System (IPEDS) Fall Enrollment Compliance Report by the National Center for Education Statistics, in collaboration with the Office for Civil Rights, U.S. Department of Education, using existing Directive 15 standards by the Office of Management and Budget (OMB) for Federal statistics and administrative reporting using aggregate administrative records does not disaggregate data for American Indian or Alaskan Native persons, or Asian or Pacific Islander persons. The revised October 1997 OMB standards for racial and ethnic reporting, not implemented to date because of the recognized need for OMB to develop and announce race and ethnic aggregation strategies, identify American Indian or Alaska Native persons, and Native Hawaiian or other Pacific Islander persons as revised race ethnic categories. Due to the continuing difficulty of disaggregating data, the revised 1997 OMB race and ethnic reporting categories do not provide for a clear reporting of Alaska Native persons, or Native Hawaiian persons. At this time, discussions are taking place regarding a way to disaggregate these data.

Released: December 31, 2000
